Grease Spunk

I set off in my car at 7am, an early start, but I had a long way to go – and a sex party at the other end! My friend had won the use of a country cottage for a week and had organised a series of sex parties. I had missed one already and was eager to get down there!

I thought it would be a good idea to drive down dressed in my sexy PVC skirt, ready for action. My fanny was tingling like mad and I rubbed it every time I stopped at traffic lights. Once I got on the motorway I was even randier, lifting my skirt for the lorry drivers, pulling my top down and flashing my tits for them. They rewarded me with a parp from their horns and by the time I came off the motorway my fanny was soaking and ready for a good seeing-to.

I had travelled a few miles down a country road when the engine overheated and the car died on me. I

called my breakdown company and as I was a woman on my own they promised a vehicle within half an hour. I was still feeling horny and sat in the car with my fingers buried in my cunt. I was so engrossed in playing with myself that I did not see the breakdown truck arrive.

Just as I was cumming the mechanic tapped on the window. I was too far gone to stop myself and had to finish what I started, my legs spread wide apart, with three fingers deep in my twat and my other hand rubbing my clit. I came hard then got out of the car.

The bulge in the mechanic's trousers looked very inviting. I told the mechanic that something had overheated.

"I know," he said, with a shy smile, putting his hand on my arse. I rubbed myself against his hand and his three fingers managed to

find their way up my very wet hole. The juices from my cunt were streaming down my legs. They were so hot it felt like I was pissing myself.

With his other hand, the mechanic pulled down my top and started caressing my tits. Then he clamped his mouth on one of my nipples and I came all over his hand.

tits to steady himself and banged away. I was soon cumming again, and as my juices enveloped his cock, he came too. His spunk squirted hot and deep inside me and then dribbled down my legs.

He fixed the car and I got on my way, but not before I had thanked him by sucking his cock and swallowing his

I WAS SOON CUMMING, AND AS MY JUICES ENVELOPED HIS COCK, HE CAME TOO.

I unzipped his trousers and got his cock out. It was gigantic – one of those that you just have to spread your legs and say "Fuck me" when you see it.

I crouched down and took the monster in my mouth. I sucked it till it was hard as one of the spanners in his truck. I opened my legs and told him to stick it in.

He put both hands on my

spunk.

When I finally got to the cottage I told my boyfriend what had happened. He spread my legs to see if I was telling the truth. I felt jizz running out and he licked my clit, which made me cum again. I missed a day of the sex party, but I had just as good a time on the road!

Dee, Lancs.

PIPPA

Pippa first got a taste for sharing naughty pictures of herself by tweeting them to an ever-growing legion of admirers, but now she's decided to come over to the print side of things by getting her bits and bobs out in Escort. But why wait so long?

"I kind of thought that appearing in Escort was more official than what I was doing online, somehow, but in the end I figured I just love knowing that horny guys are checking out my juicy pussy, and it doesn't matter at all if it's online or in print!"
Well maybe not (although in print's better!)."

MAID TO PLEASURE!

Sadly not many hotels dress their maids up in the traditional French style any more – probably because the male guests would spend their time walking around with massive boners! Still, the French maid lives on in porno land, and this flick from Private features five very cute examples all taking a length! Asian hottie Katana's got just what it takes to get her fella (and us) in the good, but it's covergirl Hennessy who really ramps up the heat, letting her lucky fella cram three fingers up her shapely arse before following it up with his cock. And there's more to come, with interracial and anal fun a-plenty!

The Whoring Forties!

Well, I guess in certain circles being in your 40s makes you old, and porn splotcher's probably one

of them, but really it's not like any of the MILFs on display here are over the hill, in my opinion – they're all clearly still cock-mad and they know what they're doing! Blonde Samantha Ray clearly revels in the shafting she gets from her young bow, smearing his jizz all over her face when they're done, and the others all make the most of their cum blasts when they get the opportunity. At 49, big-boobed Anellise Croft might be the oldest of the hornbags on show, but she looks like a cracking bunk-up to me! Available from your local sex shop.

Unless I'm mistaken, that's a nurse's uniform that Readers' Wife Sue from Chester is wearing, which means the guy who took the pictures of her must be one of the luckiest men in the world! I wonder if she treats any of her patients to that sort of display to keep their spirits (among other things!) up. If she ever fancies a trip up to the big city, I could definitely use a bit of her bedside manner!

Colin, Liverpool.

Quick Nurse!

DEAR JULIA

I've had a thing for girls with tattoos ever since I went out with a lass who had several and who was probably the filthiest girl I've ever had the good fortune to experience in the sack, so the pictures of Ava and Alexxa were right up my alley! Every single shot of them is horny enough to get me shooting my load, although I have to say the photo of them at the bottom of page 40-41, in which Ava's grasping Alexxa's arse, clearly inviting the attention of cock to bury

Tatt's the ticket!

a fat, throbbing itself in one inviting hole or another, is out of this world. The thought of sliding my prick home in either hole while Ava sucks on my swinging ball sack has had me cumming and cumming ever since I first set eyes on it!

Steve, Leamington Spa.

View to a thrill!

Is there any finer sight than a gorgeous girl fingering her cunt, which is flushed red and in an obvious state of extreme sexual arousal? No, there isn't! Chloe Toy ticked all those boxes to perfection in 37.12, and what I wouldn't give to replace that pink vibe with my own aching prick and watch her slide slowly down its length!

Liam, Leeds.

Gang Of Phwoah!

You've got to love English lasses who can't get enough of gangbangs, and this flick features four (unnamed) slappers who really can't get enough cock! Spit into two scenes, each features a brace of girls getting to grips with knobs cumming at them from all directions, slurping and riding them until their male co-stars are completely spent. As will you be, watching them! Available from your local sex shop.

I'm sure one or two people must have suspected I was up to something, but with the vibrating of the bus and the smooth feeling of my slippery lips... well, lets just say it was the best bus journey I've had so far!"

REAL WIFE SEX

Katie fancies more than a boogie

I was so wet that he entered me fully with one thrust...

My hubby's got very different musical taste to me, so I often find myself going to gigs with a few mates instead of him – and now and again I get to do more than listen to music while I'm there. I was at one gig a few weeks ago and it was a real crush inside the venue. There were sweaty bodies everywhere and we were all jumping up and down in time to the music.

All I had on was a tiny vest and a skimpy skirt. It was so hot that I slipped out of my panties in the ladies, to help stay cool and felt almost naked in the middle of the throng.

My friends had disappeared to get a little air but I was happiest where the action was.

There were guys all around me and I felt hands on my legs and back and arse as we partied hard. I was dancing with my hands in the air and from behind somewhere some guy reached around and put his hands on my breasts.

I looked over my shoulder to see

who it was but I didn't know him. He was stripped to the waist and dancing to the beat, so I just went with the flow and let him feel me up. I was pretty hot as it was but I really got off on being groped by this stranger in full view of everyone around me.

The guy pulled me against himself and a massive boner ground against my arse as we danced. I reached around and rubbed it through his trousers, and as I did so he pulled

after a while I dropped down in front of him and took his prick into my mouth.

I only had a chance to give it a quick suck as I was being buffeted from all side by people dancing but everyone saw what I did and I giggled with mischief.

The guy pulled me back up to my feet and ran his hands all over my body as we rocked. My skimpy skirt was pulled up over my arse and a moment later I felt his fingers between

down his zip and pulled it out.

I took his dick in my hand and yanked on it as I danced. The harder I yanked the more he danced and I started to love holding his cock. A few people around us noticed what I was doing and this really appealed to the filthy exhibitionist in me. The more I was watched the hornier I got so that

my legs.

He plunged them into my sticky sex and pumped me in time to the music. I did the same with his dick and I knew at that point where this was going and I couldn't resist.

The guy turned me around and folded my skirt up over my arse. I opened my legs in readiness and

gasped when felt his thick prick brushed across my inner thighs. He drew his cock backwards and forwards across my puffy lips a few times then withdrew a way, pointed his dick upwards and buried it inside my cunt.

I was so wet that he entered me fully with one thrust and I looked around at all these laughing and grinning faces around me. I was getting fucked in public and everyone was watching. It was the horniest experience of my life.

The guy held me by the waist and drove furiously into me again and again as I slowly arched forward. A little clearing opened up around us as people stopped to watch, but one or two guys fondled my tits and kissed me on the face as my pussy was pummelled.

I felt a few guys' cocks through their jeans as I was fucked and even French kissed another girl as the crowd looked on. I was out of my mind with lust, and twitched as the first throes of an enormous orgasm ripped through me.

All of a sudden the flood gates opened and I came impaled there on his cock. The girl continued to kiss me and laugh with delight as I

gushed all over this complete stranger's balls and the next thing I knew I felt him explode inside me.

A great deluge of cum filled me up to the brim as he emptied his balls up my cunt and I cried out with joy.

When he pulled out his cum dribbled all down

the insides of my thighs and the girl put her fingers between my legs to scoop up a dollop.

She pushed her spunk fingers into my mouth and I sucked them clean, then she took some for herself and licked them herself.

I caught up with my girlfriends outside and they asked me where I'd got to.

"Just dancing," I told them. Well, it wasn't a complete lie, and when my hubby asked me later that night if I'd enjoyed the concert I truthfully told him it was the best I'd ever been to. I was still feeling really horny, so he benefited from my night out as well!

The Pudding Club

Last Xmas, my friend Leanne invited me and my hubby to her party. I love parties and pampered myself beforehand, soaking myself in the bath and shaving my pussy nice and smooth.

When we arrived, we found about ten other people already there.

After a few drinks, everyone loosened up nicely and a little horseplay broke out.

me over the counter, then directed Leanne into my pussy from behind.

Leanne tongued my cunt nice and deep, as my husband fucked her from behind.

Leanne's other friend (I didn't know her name) was sucking my hubby's balls as he fucked Leanne, and beside us another couple were just getting it on.

The whole place smelt of sex.

After a while, Leanne told me to lay on the table and when I did, she dropped something on my pussy.

It was warm and wet and sticky, and I looked to see what it was and saw that it was her Christmas pudding.

She poured cream all over the pudding and all over my cunt and my husband started to eat it.

I was naked and writhing beneath my husband and Leanne's tongues.

I was so carried away, in fact, that I actually fell off the table.

My husband just laughed at me and started fucking me on the floor. He pushed my legs back over my belly and drove his hard cock in, as Leanne squatted over my face.

I tongued her sleeping slot until she came all over my face, then my husband offered me his prick and came all over my mouth.

I cleaned myself up when I caught my breath, and sat in the chair holding my ankle. It was all swollen from where I'd fallen off the table and I wondered how I was going to explain it to the hospital.

Tracy, Essex.

"It may well be the season of goodwill to all men, but I'm not going to let any of my fellas slacken off — I demand to be treated right every day of the year! The first thing a guy needs to do to get me in the mood is spent at least ten minutes teasing, licking and nibbling my nipples. They're really sensitive and I'm always dripping wet after ten minutes, and then, when my cunt's dripping wet, the only thing to do is eat it out till I cum. Only when I've drenched your face with my sweet cum can you get your cock out... but it'll be worth the wait!"

But has Zara got anything special lined up for Christmas, other than stuffing her face and lolling about in front of the telly like the rest of us?

"It'll mostly be that, I guess, although I don't really like to stuff my face (with food, at any rate!). I've got to keep in shape, and I can't do that if I've got too much Christmas Pud rolling around in there, can I?"

Well, there's always the option of trying to burn off any extra calories in the new year. I've got an idea that might help with that...

Lots of little girls will no doubt be asking Santa for a Dolly this Christmas, but looking at these pictures, I can't help thinking a lot of grown-up men will be pretty keen to have one as well.

Shell Be Cumming...

A lot of men may not admit it but they would love to see their wife be a total slut and watch them fuck another man.

It all started when Shelly admitted in the bedroom that the thought of me watching something like that turned her on.

So one Saturday night we plucked up enough courage to go to a swingers club in Manchester.

We arrived nervous but

excited and soaked up the atmosphere for a bit, watching couples getting it on.

We saw a guy called Paul sitting on his own and looking at Shelly a lot. After a quick chat the conversation turned to sex and all three of us went into one of the rooms.

Inside we both got to work on Shelly and stripped her off.

CONTACT
ME

03. SHELLY

We all got on the bed and started feeling her up. When I put my hand between her legs she was so excited she nearly came on the spot.

She wasted no time sucking me off and wanking Paul off with a free hand.

Then Paul got his cock sucked. With her arse in the air, I slipped my cock into her wet pussy and started banging away.

Shelly was like a girl possessed and was licking and sucking Paul's dick like there was no tomorrow.

I wanted to empty my cock in her pussy but she could tell I was about to cum and turned round to take my load in her mouth.

While she sucked my cock I looked at Paul and told him he had better put his cock up my wife. He wasted no time and eased up her. This was the first time Shelly had had another man's cock in four years of marriage and it pushed me over the edge, shooting cum down my slut of a wife's throat.

Paul started fucking

her harder and faster, saying he was going to cum. Not wanting to waste his spunk, Shelly spun round just in time to drink his cum.

This was my first experience of seeing Shelly get fucked. The second came a few months after and really shocked me... but blew my mind.

My wife came home from work shy and looking like she had something to tell me. She put my hand down her knickers and I could feel she was all wet and spunky down there.

I slipped two fingers up there and told her to tell me what happened.

Apparently Neil, who she works with, had been flirting with her all day

and at the end of the day was alone with her in the stock room. He grabbed her and kissed her, feeling her tits, and got his cock out.

She told me she could not refuse as she was too horny after all that teasing so she sucked his cock.

• THIS WAS THE FIRST TIME SHELLY HAD HAD ANOTHER MAN'S COCK IN. FOUR YEARS OF MARRIAGE

Then my slut of a wife pulled down her knickers, bent over and pulled his rock hard cock into her juicy fanny. She reached back to play with his balls and brought them both to a shuddering climax.

All the way home she could feel his spunk dribbling into her knickers.

I wouldn't have believed it, except that I could taste another man's cum from licking Shelly out.

I couldn't lose my erection all night from the thought of my perfect wife turning into a total whore.

If anyone out there fancies having my wife as their little slut, please contact us because I'd love to watch you do it!

Dave, Manchester.
